Strengthen Lay and honorary judges European Competencies

Lay and honorary judges: professionals to be valorised in Europe

Lay and honorary judges play a key role in the proper functioning of EU Member States judicial systems, concurring to ensure their effectiveness and quality. Thanks to their work, they shorten the time of the judicial system's response to citizens, bringing them closer and strengthening global trust toward the judicial system.

SELECT project represents the first opportunity for EU lay and honorary judges to access dedicated training with transnational impact.
